

STAKING. **REFERRAL PROGRAM.** **RANK SYSTEM**

How rewards, network growth and rank progression work inside one ecosystem.

YOUR CRYPTO. HIGHER POTENTIAL.

HOW THE ECOSYSTEM WORKS

*More
Utility
More
Possibilities*

Three connected systems inside one wallet.

01

STAKE
EARN
GROW

02

CONNECT
INVITE
EARN TOGETHER

03

LEVEL UP
UNLOCK
MORE OPPORTUNITIES

Staking

Activate funds and
earn daily rewards.

Referral Program

Invite partners and grow
your network rewards.

Rank System

Progress through levels and
unlock deeper opportunities.

Start with staking

expand through referrals

advance with ranks.

HOW STAKING WORKS

A simple way to activate funds and earn daily rewards inside Mage Wallet.

*More
Utility
More
Possibilities*

Choose → Activate → Earn daily → Complete

YOUR CRYPTO. HIGHER POTENTIAL.

STAKING PLANS

Six options designed for different goals, durations and entry levels.

All staking is done in USDT inside Mage Wallet.

*More
Utility
More
Possibilities*

01 | Quick Start

Entry-level plan

Duration: **21 Days**
Stake Amount: **\$75 – \$300**
Daily Rate: **0.94%**
Total Reward Rate: **19.74%**

02 | Smart Monthly

Short-term plan

Duration: **30 Days**
Stake Amount: **\$301 – \$1,500**
Daily Rate: **1.12%**
Total Reward Rate: **33.6%**

03 | Mid-Term Strategy

Balanced duration with clear plan terms

Duration: **60 Days**
Stake Amount: **\$1,501 – \$5,000**
Daily Rate: **1.18%**
Total Reward Rate: **70.8%**

04 | High Prime

Higher entry tier with extended terms

Duration: **90 Days**
Stake Amount: **\$5,001 – \$20,000**
Daily Rate: **1.22%**
Total Reward Rate: **109.8%**

05 | Long-Term Vault

For long-term participants

Duration: **180 Days**
Stake Amount: **\$20,001 – \$50,000**
Daily Rate: **1.35%**
Total Reward Rate: **243%**

06 | Ultimate Max

Long-term plan with clearly displayed terms

Duration: **360 Days**
Stake Amount: **\$50,001 – \$500,000**
Daily Rate: **1.88%**
Total Reward Rate: **676.8%**

YOUR CRYPTO. HIGHER POTENTIAL.

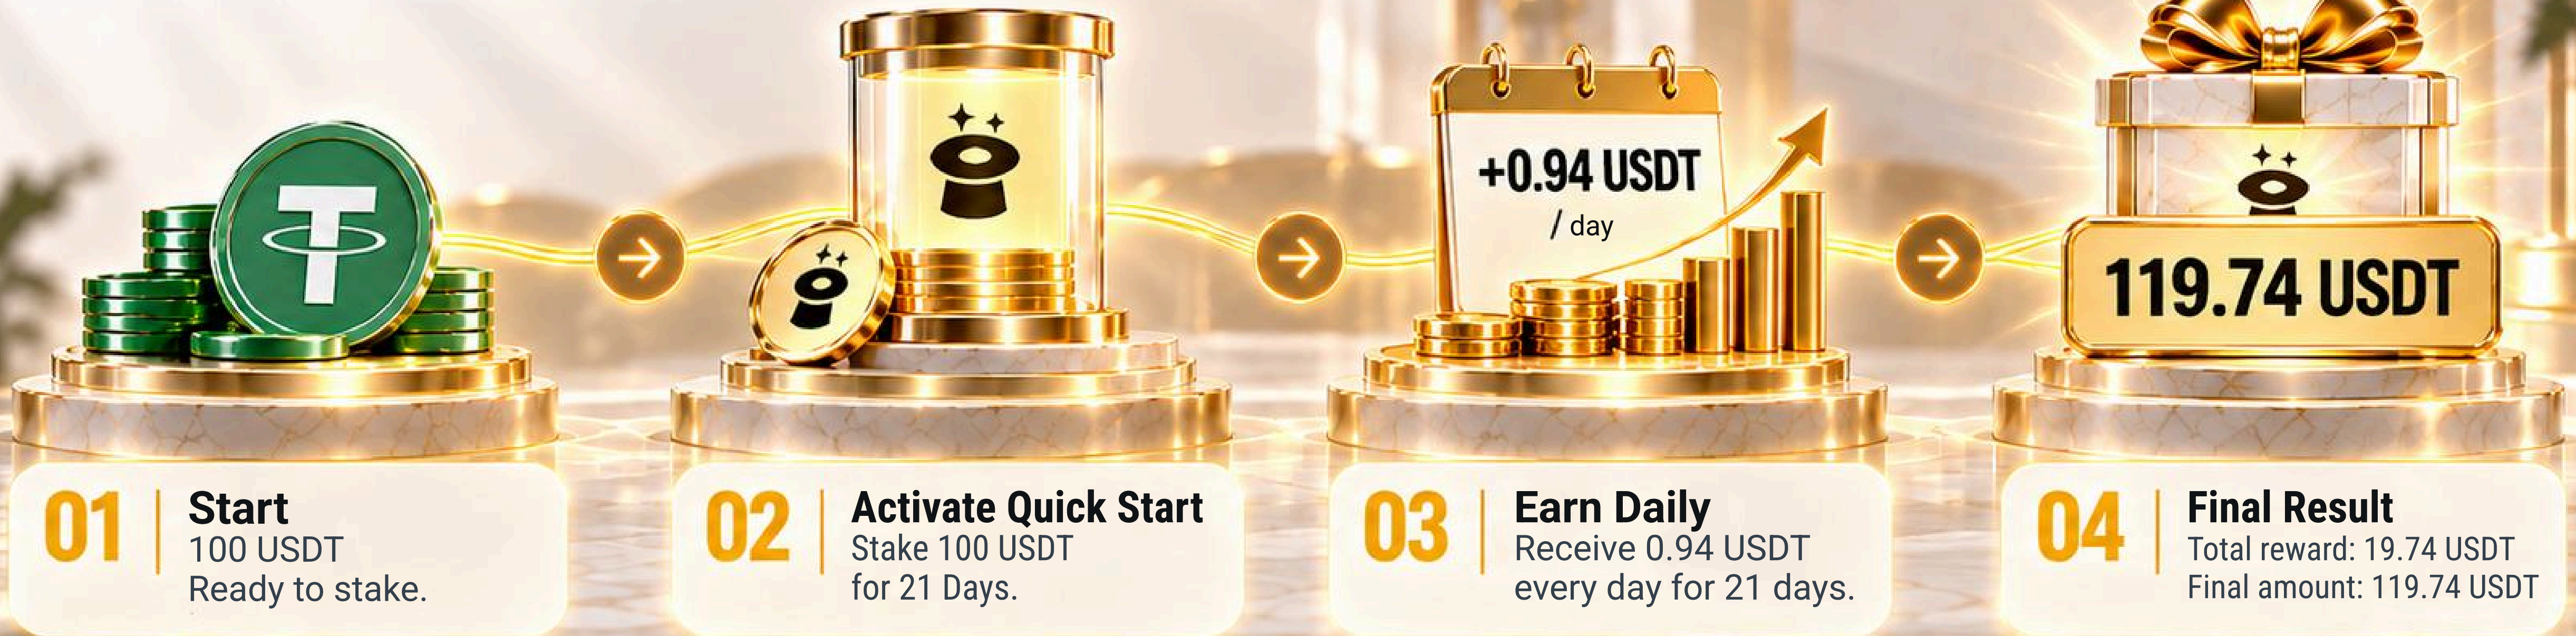

Entry → Growth → Higher Tier → Long-Term

STAKING **EXAMPLE**

How a simple activation grows inside Mage Wallet.
Example based on the Quick Start plan.

*More
Utility
More
Possibilities*

$100 \text{ USDT} \times 0.94\%$
 $= 0.94 \text{ USDT per day}$

$0.94 \text{ USDT} \times 21 \text{ days}$
 $= 19.74 \text{ USDT total reward}$

Final result

=

119.74 USDT

STAKING GROWTH EXAMPLE

A larger position with visible daily accumulation inside Mage Wallet.

Example based on the Smart Monthly plan.

*More
Utility
More
Possibilities*

$$1,000 \text{ USDT} \times 1.12\% = 11.20 \text{ USDT per day}$$

$$11.20 \text{ USDT} \times 30 \text{ days} = 336 \text{ USDT total reward}$$

Final result

=

1,336 USDT

STAKING JOURNEY

Real in-app flow from opening a plan to collecting the final result.

Example shown with the Smart Monthly staking plan.

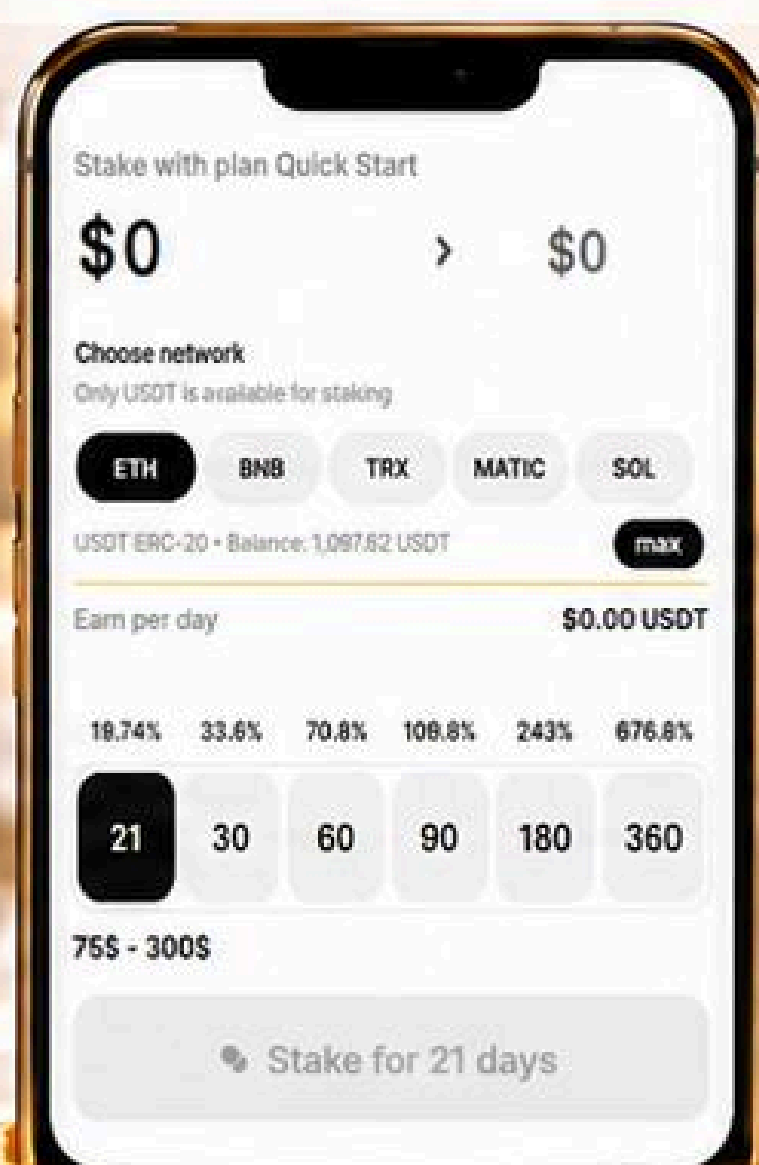

*More
Utility
More
Possibilities*

Real interface examples

01

Open Staking

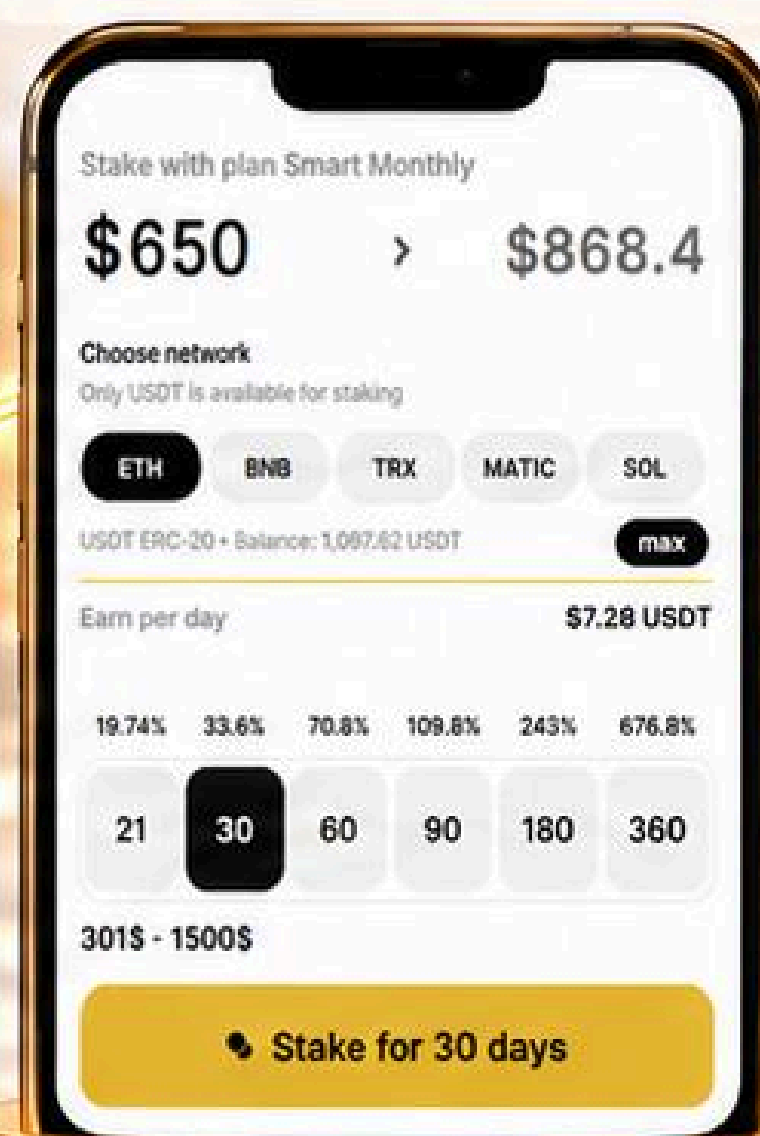

Go to the Staking section in Mage Wallet.

02

Choose Plan

Select Smart Monthly and enter your amount.

03

Plan Completed

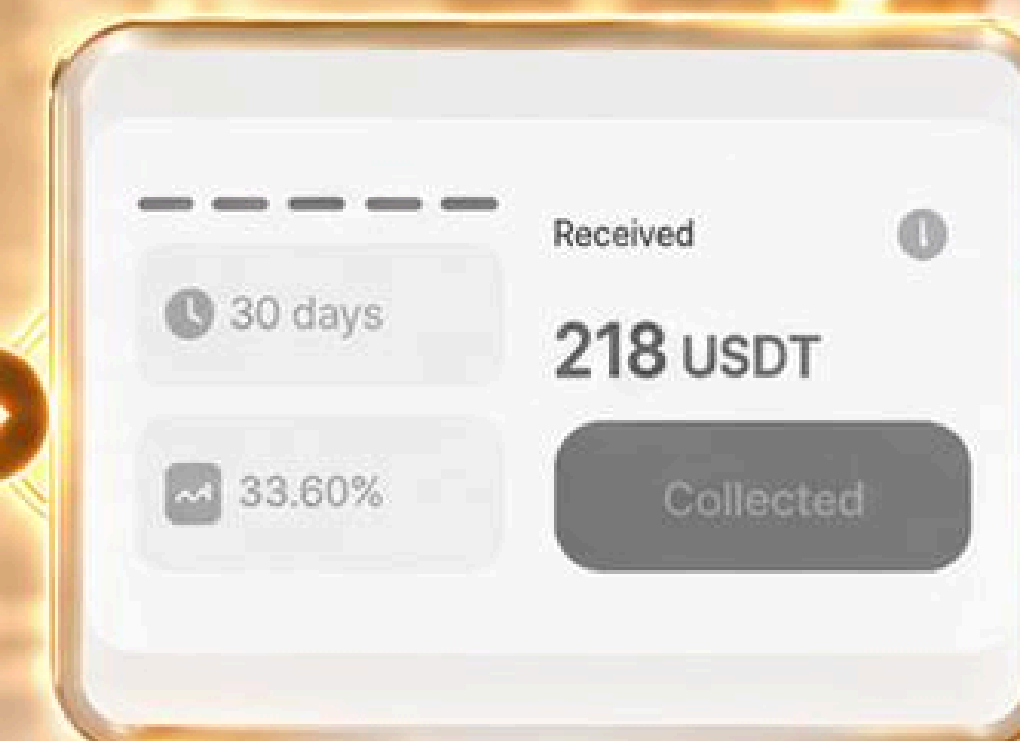

Your staking position is completed and ready to collect.

04

Collect Result

Receive your earnings in your wallet.

Open Staking → Choose Plan → Wait for completion → Collect result

REFERRAL PROGRAM

Share your link. Grow your network.

Invite partners into Mage Wallet and track levels, rewards and rank progress in one place.

01

Copy your link

Invite others with your unique referral link.

02

Build your network

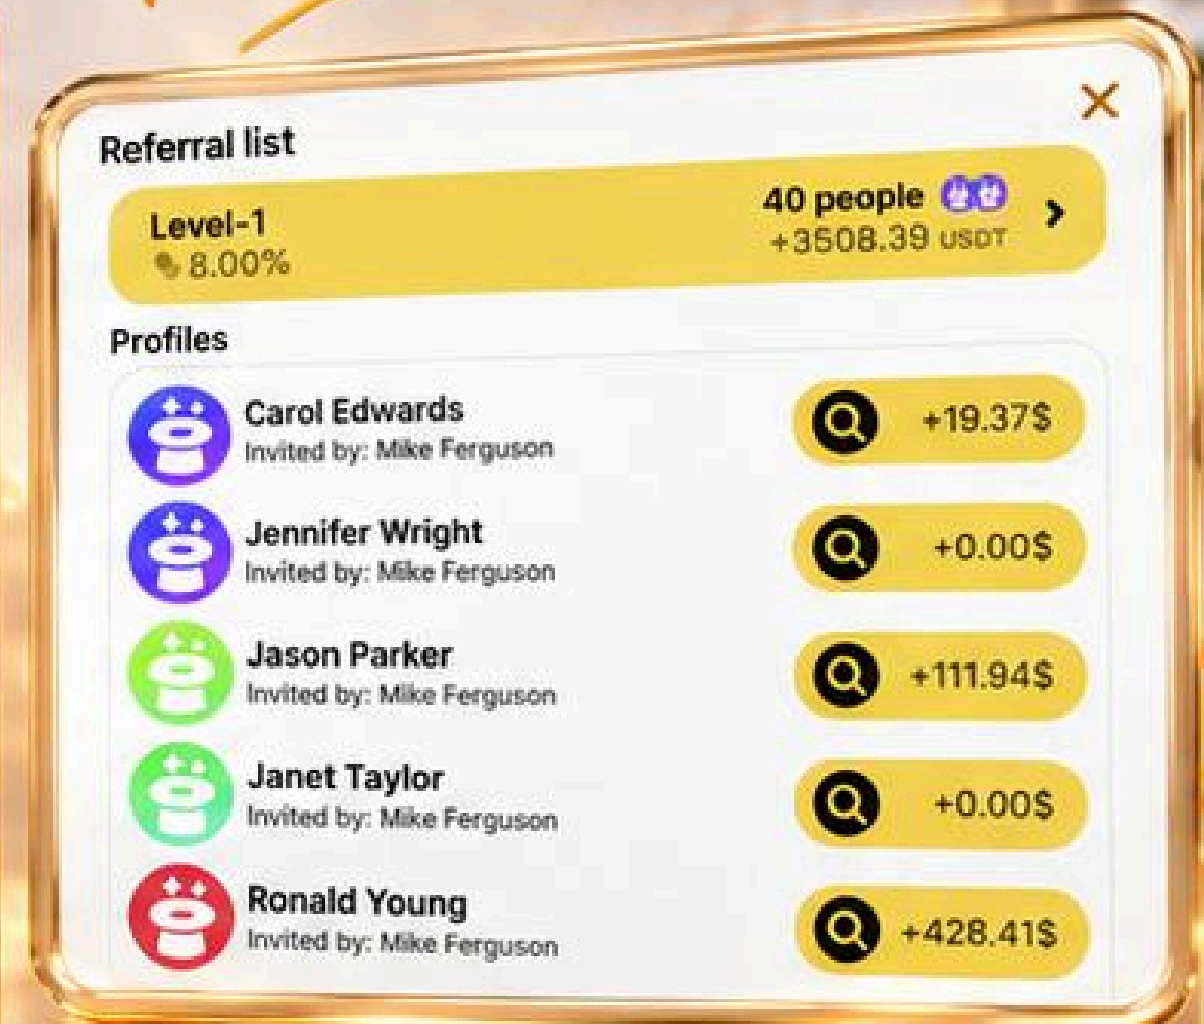

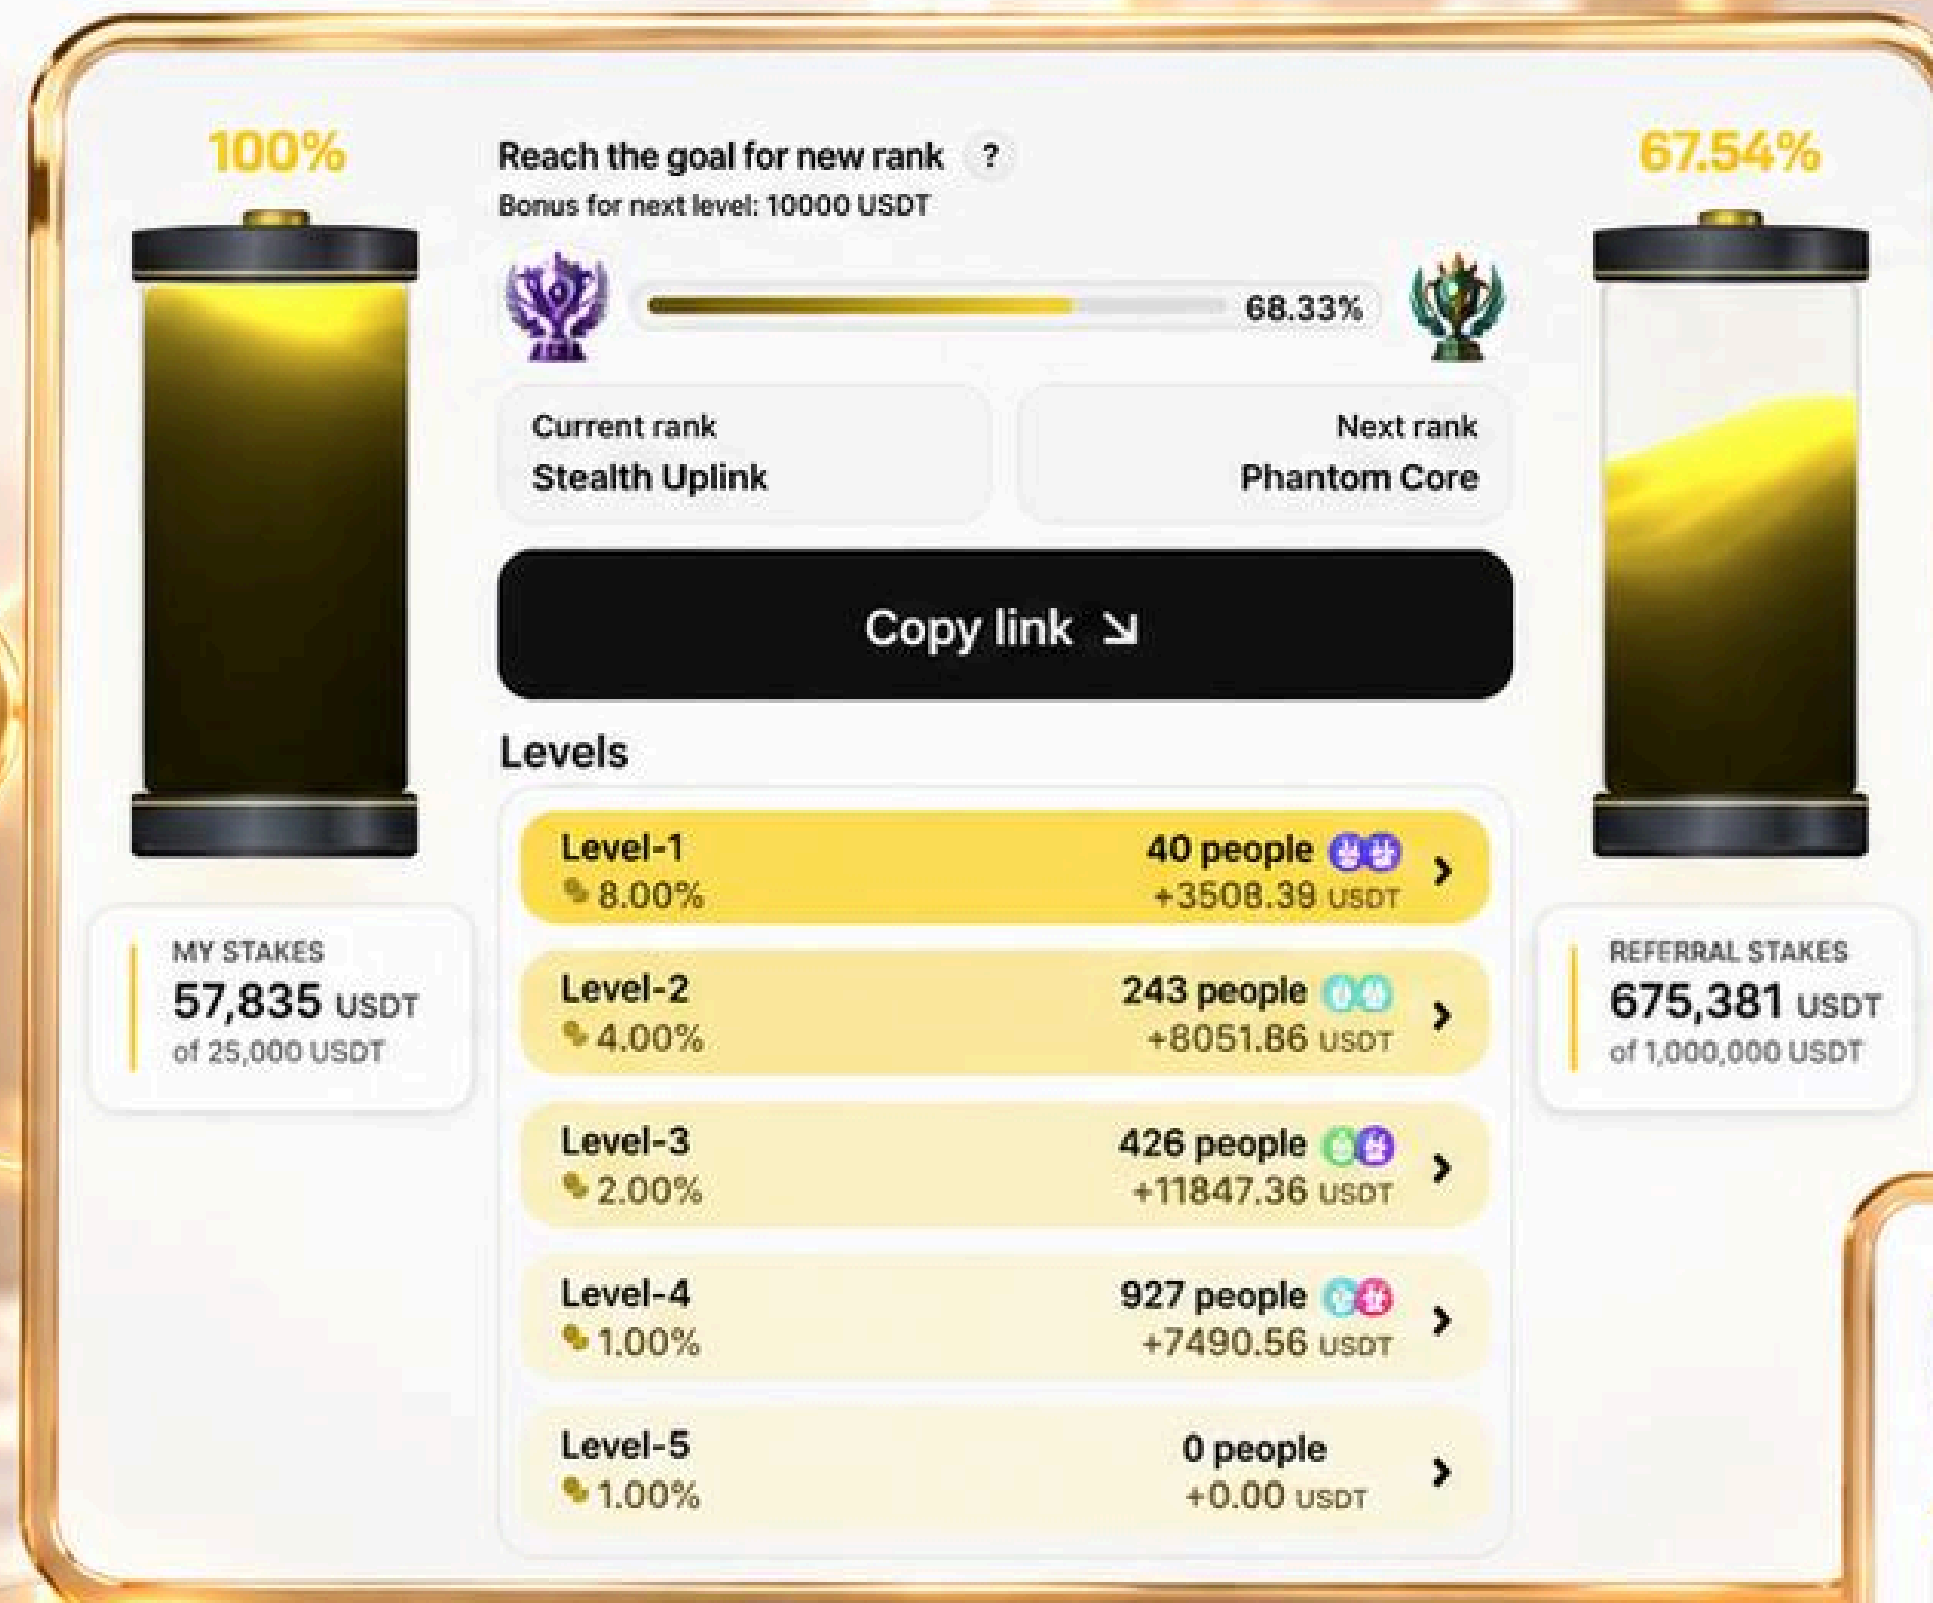

Partners join your structure across multiple levels.

03

Track rewards

Monitor partner activity, referral earnings and rank progress.

More
Utility
More
Possibilities

Invite → Connect → Earn

RANK SYSTEM

See every rank, unlocked levels and reward conditions in one structure.

As your personal and team turnover grow, you unlock deeper referral levels, higher general bonuses and larger title rewards.

01

More levels unlocked

Higher ranks open more referral levels.

02

Bigger turnover targets

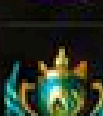

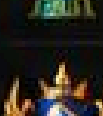

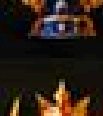

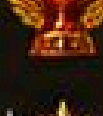

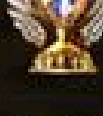

Personal and team volume determine progression.

03

Stronger rewards

General bonuses and title bonuses increase with rank.
